ADDENDUM TO JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 19 January 1972

1. (Internal Use Only - JGO) Met with Miss Bernice Kalinowski, House Armed Services Committee staff, and delivered to her a world map for Committee use. I also gave her a copy of the November 1971 China Atlas and a short bibliography of background publications on security classification.

2. (Confidential - JGO) Met with Mr. John Martiny, Chief Counsel, House Post Office and Civil Service Committee, and Mr. Richard Barton, Staff Assistant, Employee Benefits Subcommittee. I discussed with them H. R. 11150 and S. 1438, for the protection of rights of Federal employees. They told me that H. R. 11150 which was approved by the Employee Benefits Subcommittee for consideration by the full Committee prior to the recess has not been included as yet for the next meeting of the full Committee. The meeting was tentatively scheduled for the first of the week with Mr. Barton to review the legislation file and the status of the amendment to H. R. 11150.

3. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, and confirmed with him the DCI briefing for 3 February for the Defense Subcommittee. An informal meeting was also scheduled for Thursday, 27 January, for [REDACTED] In response to his earlier request, I gave Mr. Preston a copy of the press coverage relating to General Vernon A. Walters together with a biographic outline. In passing, Mr. Preston confirmed his earlier remarks that the Special Subcommittee would not meet until the Chairman designates the new member. I briefed Mr. Preston on [REDACTED]

6. (Confidential - JGO) Received a call from Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, who told me that he had talked to Chairman Hebert this morning and briefed him on Mr. Maury's meeting with him and Representative Lucien Nedzi (D., Mich.) yesterday afternoon. Mr. Slatinshek told me that Chairman Hebert "also feels that this will be a good opportunity for the Director to appear in open session and speak to this problem since the Committee will be dealing only with the administrative problems in the security classification and not the substantive information itself." I thanked Mr. Slatinshek for the call.
